3RD SYMPOSIUM OF THE INDIAN RARE MOVEMENT DISORDERS CONSORTIUM

12th - 14th April, 2024,
NIMHANS Convention Centre, Bengaluru.

Organized by Movement Disorder Subspecialty,
Department of Neurology, NIMHANS
On behalf of Indian Rare Movement Disorders Consortium (IRMDC)
Supported by the ACIAN trust

Welcome Message

On behalf of the Indian Rare Movement Disorders Consortium (IRMDC) we are pleased to announce the 3rd Symposium of the IRMDC (IRMDC-2024). The symposium will be held from 12th to 14th April, 2024 at the NIMHANS Convention Centre, NIMHANS, Bengaluru. During this 3 day symposium which has been endorsed by the International Parkinson and Movement Disorders Society (MDS) and the Movement Disorders Society of India (MDSI), we aim to provide an overview of the phenomenological approach to rare genetic movement disorders, updates in investigation and management options, and pertinent aspects of genetic counselling.

We look forward to your activate participation to make this program a success.
