"From Pragmatic to Precision Medicine"

Dear Friends,

On behalf of the Movement Disorders Society of India (MDSI), the local organising committee is extremely pleased to announce that **8th annual National Conference of MDSI (MDSICON 2024)** is going to be held at **Hyatt Regency, Ahmedabad from 23rd to 25th February 2024.**

We cordially invite you all to join us in this academic feast in the Western most part of India at **"The World Heritage City - Ahmedabad"**. The program will include lectures from masters of Movement disorders across the globe, signature events such as Knowledge Café, MDSI Quiz, Video Akhada, debates & controversies, workshops and much more.

The city offers a unique combination of heritage and culture, historic landmarks and modernisation. The topnotch tourist attractions in Ahmedabad such as Sabarmati Gandhi Ashram, Sabarmati Riverfront, the iconic Atal Bridge, Narendra Modi Cricket Stadium, Sidi Saiyyed Mosque, Stepwell of Adalaj, Kankaria lake and Science city to name a few, are not far away from the venue.

We are excited to welcome you all to the vibrant city, Ahmedabad for the 8th MDSICON and look forward to make this conference a memorable one through your active participation and collaboration. We assure you that we will try every possible way to make your stay comfortable and delightful.
